

# LOOKING FOR PROGRAM LEADERS

**What is Startup Skool?** We're a social enterprise educating youth about entrepreneurship, design thinking, and technology. We run programs for students k-12 in school and outside through week long summer camps. We exist to create thought leaders at an early age and our vision is to bring the world of entrepreneurship to all students. Learn more about us [here](#).

**What we Need:** We are looking for outgoing and passionate individuals who will provide leadership for children ages 8-16 through Startup Skool. They are responsible for delivering all programs for the designated groups, assisting with planning, and supervising participants. Program activities may include: creating prototypes, designing logos, conducting market research, building an online website, and creating sales pitches. They will also assist in the delivery of safety procedures with participants and will maintain communication with supervisors and parents.

## **What does a Program Leader do?**

- The leader will be responsible for the organization, delivery, and supervision of all activities pertaining to Startup Skool and its participants
- They will teach the entrepreneurial curriculum and guide students through the business process through a variety of formats: hands-on, direct instruction, group work and one-on-one
- Teach with passion, enthusiasm, structure, and expertise while guiding students throughout the week
- Maintain a neat, orderly, and clean environment, including all program areas, common spaces, and washrooms. Assist in setup and takedown
- Communicate regularly with the Coordinators and Directors to ensure all tasks required for running Startup Skool are being met and managed efficiently

## **Our Ideal Candidate is:**

- Outgoing, creative, and entrepreneurial
- Has strong communication and interpersonal skills
- Great leadership and group management skills
- University students studying business in their 2nd, 3rd, or 4th years of study
- Can provide a clean criminal record check
- Standard First Aid and CPR/AED certification is required (can be taken before the camp)
- Preferably has experience working in summer camps, as a tutor, or working with youth

## **What We Offer:**

- Fun, innovative and challenging environment
- Paid multi-day entrepreneurship bootcamp and strong training opportunities
- Chance to be a part of a growing and impactful social enterprise

## **Compensation and Details:**

- Training the last week in June online and inperson
- Camps run MF 9:00am - 4:00pm July and August
- Wages vary with experience

## **To Apply:**
